and Terrorism Studies】

Special Lecture

Middlebury

MULLINS, Kristen

Assistant Director

【Intercultural and Global Programs】

### Explore Peace in English -Live, Learn, and Think Like a College Student-

No easy answers - big questions, bold ideas, and new perspectives!!

This workshop offers an unique opportunity to spend 4-days in a college environment, staying in the ICU dormitory, critically thinking about peace from many different perspectives in English. Participants will experience the complexity of a liberal arts education by coming face to face with questions that have no definite answer. We look forward to having you!!
