

RECONSIDERING PEACE IN LIBERAL ARTS

Peace in a Divided World: From Awareness to Action

Explore Peace in English - Live, Learn and Dialogue -

No easy answers - big questions, bold ideas, and new perspectives!!
This workshop offers a unique opportunity to spend 4-days in a college environment, staying in the ICU dormitory, critically thinking about peace from many different perspectives in English. Participants will experience the complexity of a liberal arts education by coming face to face with questions that have no definite answer. We look forward to having you!!
