

CHANGES IN ENROLLMENT (ENTRANTS, GRADUATES)

Beginning in AY2014, the method to calculate the number of incoming students has been changed in accordance with MEXT's "School Basic Survey."

* Calculation method beginning in AY2014:

AY2014 number of incoming students = September 2013 incoming students + April 2014 incoming students

* Calculation method until AY2013:

AY2013 number of incoming students = April 2013 incoming students + September 2013 incoming students
