International Christian University in Tokyo, Japan offers scholarships for College of Liberal Arts New Students for the purpose of providing financial support to students who will serve as role models for ICU students during their four years of study at ICU. The scholarships will provide significant financial support for highly promising and productive students over the course of their four years at ICU. The funds that make the awards possible come from generous ICU alumni and friends who believe in the promise of the university and its future - a future that lies in the hands of the students who graduate from ICU.
