AY2026 Application Guidelines for ICU Peace Bell Scholarship & University of Tomorrow Scholarship

<ICU Peace Bell Scholarship>

In April 2008, International Christian University established the Peace Bell Scholarship with funds donated by alums, faculty, staff, and members of the general public who supported the scholarship aim. Undergraduate students who will serve as role models for ICU students for four years are awarded as “ICU Peace Bell Scholars” based on their recommendation letter and results in the admissions route. The selected scholars are required to submit reports periodically and maintain good academic performance as “ICU Peace Bell Scholars.” Scholarship applications must be submitted at the same time as the admissions application.

<What is ICU Peace Bell?>

On the 50th Anniversary of ICU’s foundation, the peace bell was donated to the ICU Chapel in honor of Mr. Hisato Ichimada, former governor of the Bank of Japan, who had dedicated himself to establishing ICU. The bell is engraved with the phrases from the First Epistle of Peter: “Let Them Seek Peace and Pursue It.” The bell chimes on time every day, bringing prayer for world peace to people’s hearts.

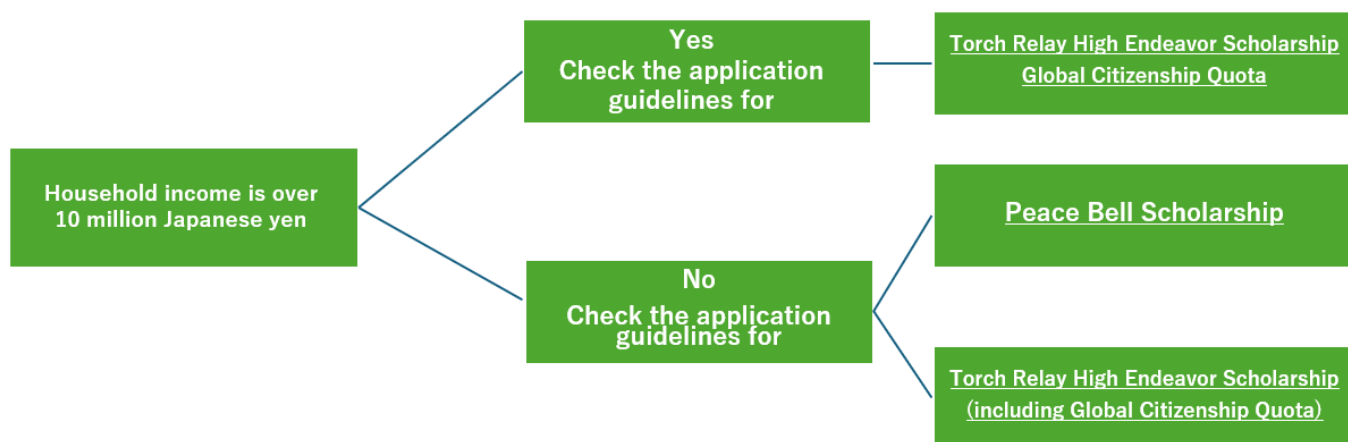

< University of Tomorrow Scholarship>

In May 2021, International Christian University established the University of Tomorrow Scholarship which target highly motivated individuals who want to study at ICU in order to make a positive difference in their community and the world but have difficulty in pursuing higher education due to financial and/or social reasons.

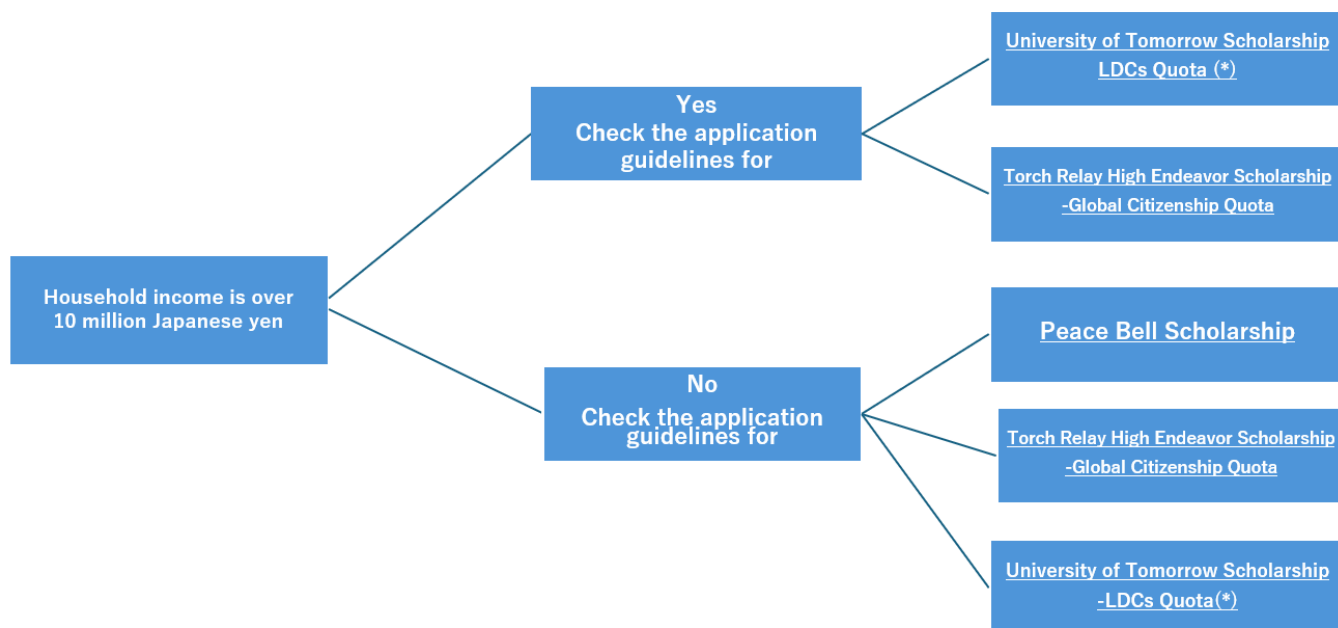

From 2025, specifically, students from countries classified as 'Least Developed Countries' by the UN member states are eligible to apply. The scholarship covers matriculation fee, tuition, facilities fees, housing and living expenses for the four years of an undergraduate program.
