

Application Guidelines for University of Tomorrow Scholarship AY2024

1. Outline

This scholarship is targeted at highly motivated individuals who want to study at ICU in order to make a positive difference in their community and the world, but have difficulty in pursuing higher education due to financial and/or social reasons.

Specifically, students from countries classified as 'Least Developed Countries' by the UN are eligible to apply. The scholarship covers matriculation fee, tuition, facilities fees, housing and living expenses for the four years of an undergraduate program.

2. Eligibility

Applicant must meet all conditions listed below:

- (1) Be a student whose nationality is one of the countries classified as 'Least Developed Countries'¹ by the United Nations
- (2) Have graduated, or be expected to graduate by the time of enrollment to ICU, from high school/secondary educational school (excluding international school) in one of the countries classified as 'Least Developed Countries' by the United Nations
- (3) Show excellent academic performance and be a role model in the communities to which they belong
- (4) Submit all application documents required for admissions, including Educational Certifications, such as a national examination certificate of university entrance or SAT/ACT by the Application Period Deadline of the English Language Based Admissions 2024 (September Entry) 2nd application period
- (5) Be evaluated by ICU as an outstanding student in the process of English Language Based Admissions (September Entry) 2nd application period
- (6) Be a student who wishes to enter the College of Liberal Arts, ICU as their first choice college to seek an undergraduate degree

3. Quota

1 (one) student

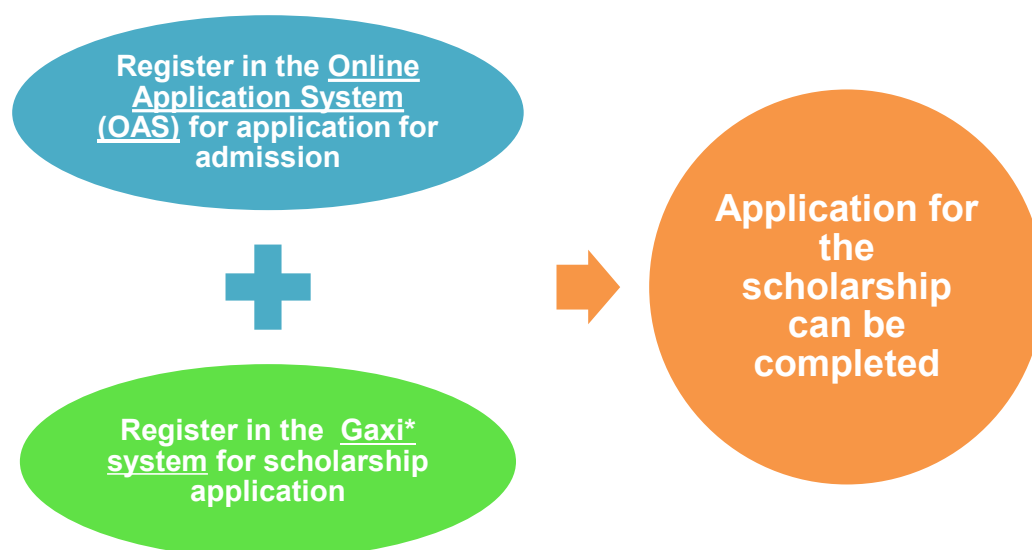

¹ See attached list of Least Developed Countries (as of 24 November 2021) Department of Economic and Social Affairs Economic Analysis, 2022, List of all LDCs in PDF format (updated November 2021), United Nations, (Retrieved September 28, 2022, https://www.un.org/development/desa/dpad/wp-content/uploads/sites/45/publication/ldc_list.pdf)

4. Scholarship Amount and Duration

This scholarship covers Matriculation Fee, Annual Tuition and Facilities Fees, Dormitory Admission fee, On-Campus Dormitory Fees and a monthly stipend of JPY50,000. All fees except for a monthly stipend will be exempted and a monthly stipend will be paid from the month of enrollment to the university. Off-campus housing allowance will not be paid. The scholarship is provided for four years (within the minimum period of enrollment at ICU).

5. Method of Application

The applicant for this scholarship must register in the *gaxi** system, through which they can fill out and submit an application form online. Meanwhile, other required documents must be uploaded to the Online Application System (OAS) for the English Language Based Admissions (September Entry) 2nd Application Period together with their admission application.

**Gaxi, inc. manages the scholarship website "gaxi" and provides SaaS management system "gaxi Agent" and business support for companies and organizations offering scholarships.*

[Steps to apply for the scholarship]

Step 1: Application for admission through OAS

- (1) Register in the OAS and create an account
- (2) Fill out required information for application for admission
- (3) Payment of the application fee for admission
- (4) Upload application documents for admission

Step 2: Application for the scholarship through gaxi system

- (5) Register in the *gaxi* system and create a *gaxi* account
- (6) Submit a scholarship application form through *gaxi*
- (7) Upload the scholarship application document(s) onto the "Scholarships" section of the OAS.

**You can upload the scholarship application document(s) in (4) above if you are ready for submission.*

[Step 1: Application for admission through OAS. (1)-(4) in the picture above.]

Read the admissions guide 2024 and follow the instruction for how to apply. Make sure to create an account on the OAS before moving to Step 2.

[Step 2: Application for the scholarship through *gaxi* system]

ICU introduced *gaxi* for the purpose of scholarship management. All applicants must register in *gaxi* and submit an application form for the University of Tomorrow Scholarship. The applicant has to create their own *gaxi* account in free of charge.

(5) Registration in *gaxi* (create *gaxi* account) ⇒ <https://gaxi.jp/auth/signup>

*Instruction manual for *gaxi* is provided in the end of this document.*

(6) Application form for Scholarship ⇒ AY2024 Scholarship Application form

Application form for Scholarship will be accessible during the application period for the English Language Based Admissions 2024 (September Entry) 2nd application period only.

(7) Upload the required documents through Online Application System (OAS)

After completing the online application for the English Language Based Admissions and the above (5) and (6), the applicant can upload the application documents for the University of Tomorrow Scholarship from the Scholarships section as follows:

- (a) In the Scholarships section, ignore the check box that says, "Choose the scholarship you are applying for", as it will not show the University of Tomorrow Scholarship as an option.
- (b) The applicant must upload the documents from "Upload." When the upload is finished, click the "Complete" button. You cannot edit or add the contents after you click "Complete".

***All application documents for the scholarship must be uploaded to the Online Application System in PDF format. No document can be uploaded to *gaxi*.**

6. Required Documents for the Scholarship

Photocopy of the annual income certificate for both parents for January to December 2023 (if the certificate for 2023 is not obtainable, submit the certificate for 2022)

Attach English or Japanese translation if the certificate is written in neither of these languages.

If either or both parent(s) have no income thus the income certificate is not obtainable, submit a statement letter to explain their income status.

7. Application Period

Applicants for the scholarship must submit an application form through *gaxi* and upload required documents onto the Online Application System (OAS) during “English Language Based Admissions (September Entry) 2nd Application Period”. Late applications will not be considered regardless of the reasons for their lateness.

English instruction for creating a *gaxi* account will be provided in this document by September 2023.

8. Selection and Notification

The process of selection and notification of the scholarship will be as follows:

(1) Documentary Screening

ICU will conduct a documentary screening to the scholarship applicants who have passed the English Language Based Admissions. Only applicants who have got through this Documentary Screening will be notified of its result when receiving the acceptance letter of the English Language Based Admissions and proceed to an online interview.

(2) Online Interview

The details of the online interview will be provided along with the acceptance letter of the English Language Based Admissions.

(3) Notification of the Scholarship Award

ICU will notify only the successful applicant of the interview result. This means the applicant has been selected as a scholarship recipient (hereinafter referred to as a scholar.)

9. Method of Scholarship Payment

Matriculation Fee, Tuition and Facilities Fees, Dormitory Admission fees, On-Campus Dormitory Fees will be exempted.

Monthly stipend will be paid through bank transfer to a Japanese bank only. The payment starts after the scholar's arrival in Japan.

The scholar is responsible for the rest of their expenses.

10. Responsibilities of the Scholar

(1) After deciding to receive the University of Tomorrow Scholarship, the scholar must submit a pledge to demonstrate their commitment to enter ICU by the designated due date.

(2) The scholar must maintain a grade point average (GPA) of 3.00 or above on a 4.0 scale after enrolling in the university.

(3) The scholar must submit a report to ICU on their annual academic progress, on and off-campus activities, and plans for the coming year by the end of each academic year.

11. Suspension/Cancellation of Scholarship

The scholarship will be suspended or cancelled should any of the following apply:

- (1) Scholar's leave of absence, withdrawal or dismissal from ICU
- (2) Scholar's poor academic performance for three consecutive terms, which shows a GPA of less than the requirement noted in 10

12. Place in Dormitory

The scholar will be guaranteed space in one of the on-campus dormitories, if they wish to live on campus. ICU, however, does not guarantee a room in a particular dormitory because of the limited number of rooms available for new students.

13. Note

The scholar must be ineligible to receive the following financial aid provided by ICU.

ICU Torch Relay High Endeavor/Peace Bell/ICU Torch Relay for Current Students/ ICU Scholarship for International Students (tuition reduction) /JICUF/Other financial aids designated by ICU
