

ICU Torch Relay High Endeavor Scholarship Application Guidelines AY2024

International Christian University established the “ICU High Endeavor Scholarship” in AY2015 for the purpose of providing financial aid before and after enrollment to students who hold high aspirations to enroll in ICU, whose grades in the admissions process are acknowledged as outstanding, and who are in need of financial support.

This scholarship will be awarded without the need for repayment. If selected, in principle, the matriculation fee and one-third of the annual tuition and facilities fee will be exempted for four years. Scholars are highly expected to endeavor to continue their academic pursuits and live up to the expectations while always being aware that they are selected among from many applicants.

From AY2018, the name of the scholarship was changed to the “ICU Torch Relay High Endeavor Scholarship” to encourage scholars to recognize the significance of handing over the torch of gift, a portion of the scholarship funds.
