[ACADEMIC YEAR] **[COMPUTATION OF UNITS]**

Three terms (Spring, Autumn, Winter). One term: Approximately 10 weeks (including a final examination period). In and before AY2024 70 minutes (one class hour) × approximately 11 weeks (including a final examination period)

(equivalent to one semester hour) In and after AY2025 75 minutes (one class hour) × approximately 10 weeks (including a final examination period)

(equivalent to one semester hour)

The number of academic units assigned to a course (lecture) corresponds to the number of class hours per week. One class hour plus study outside of class equivalent to two class hours per week is required per unit. For seminar, laboratory, and exercise courses, two to three class hours per week correspond to one unit.

[REQUIRED UNITS FOR GRADUATION] College of Liberal Arts: Normal academic load is 13 1/3 units per term.

Students matriculating in or before AY2024: Completion of a minimum of 136 units. Students matriculating in or after AY2025: Completion of a minimum of 130 units.

Graduate School: Master of Arts: Maintenance of a B average and completion of a minimum of 30 units.

Doctor of Philosophy: Students matriculating between AY2010 and AY2019: Completion of 6 units from specified courses. Students matriculating in or after AY2020: Completion of 8 units from specified courses.

[ACCREDITATION]

The academic programs of the College of Liberal Arts and the Graduate School are individually chartered by the Japanese Ministry of Education, Culture, Sports, Science and Technology. ICU is a member of the Japan University Accreditation Association. Credits earned at ICU have been accepted in

full by graduate schools of major universities in Japan, and by both undergraduate and graduate schools in the United States and elsewhere.
